SUMMER 2026 · GRADES SK – 6

Lego & Robotics Summer Camp 2026

- Build & code your own robots
- Thousands of Lego bricks to explore
- 2.5 hrs of outdoor activities daily

Brian Public School | **Mon–Fri · 9:00am – 4:00pm**

What to expect:
Students use tablets to build & code robots that drive, light up, and add voice notes — plus hands-on Lego construction projects.
